

Peter Jüngling

Peter has worked for Softing Industrial Automation GmbH since September 2000 as a distribution sales manager.

Softing is one of the first members of the RPA in Germany and is represented in UK by Hitex (UK) Ltd. which is a member of PROFIBUS-UK.

Peter is supporting Hitex (UK) Ltd to offer Softing's Profibus portfolio which is

- PC interfaces for control, data acquisition, device parameterization and asset management
- Profibus Diagnostic Tools
